

MEET THE 4-H CLUBS.....

The Gloucester County 4-H Hoof Prints Goat Club and Little Giants Miniature 4-H Club members are boys and girls ranging from 6 to 16 years old.

Through the 4-H Youth Development program which uses a “learn by doing” approach, these young people learn to care for, keep records and exhibit their goats and/or miniature horses. The 4-Hers learn life skills needed to develop into responsible adults, including:

- Communicating with and relating to other people
- Responding to the needs of others and of the community

As the community outreach arm of Rutgers Cooperative Extension, these registered Gloucester County 4-H clubs are non-profit entities. The proceeds from this tournament will be used to support club project educational activities and community outreach events, such as the *Spring Fling Family Fun Day* held in early spring. Donors may deduct contributions to these 4-H Clubs (forms will be provided). All contributions will be recognized in the tournament program.

Gloucester County Board of Chosen Freeholders
Steven M. Sweeney - Freeholder Director
Robert M. Damming - Freeholder Liaison
